When i start the server it only says in many rows this text here:

*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***
*** Auto starting game. Type 'quit' to abort ***

and i cant find the server at WOL... whats going on?
can someone help me? Sorry im german so my english is very bad ^^
