cheesesoda wrote on Fri, 26 September 2008 11:20I'm getting so fucking sick and tired of hearing about Obama and McCain. Neither moron is going to do a fucking thing for America. It's obvious, yet the American people continue to drone on, supporting whichever candidate they feel is lying the best to them. They don't give a flying fuck about us or our nation. They only care about themselves. They want power, and all they're trying to do is grab that power.

You're a god damn moron to think otherwise.
It's near election time, what else did you expect?
