I'm sry, but i think this goes in another area. Here are some pictures of a TV show called NCIS, and i would like to have it so that McGee is the normal NOD minigunner, Zeba is the Flame througher, Tony is the NOD Shotgunner, and Gibbs is the NOD Engineer. Can anyone do this? If so, i would REALLY REALLY REALLY REALLY REALLY REALLY REALLY REALLY APRECIATE IT!

=samous

Gibbs:

McGee

Tony and Zeba
