Last night I played a game on Mesa. When I joined, the airstrip was down. I was Nod. We were about 3000 points behind (GDI 7500 Nod 4500). Everyone bought LCG, Technicians, and Raveshaws, and we kept pounding GDI's Harvester and every tank they sent to our base for points. Later they managed to take out our refinery, still, everyone had at least 500 credits for another LCG. This was with about 8 minutes left. In the end, we (Nod) won by simply defending our base, with about 2000 credits more than GDI (GDI 16000 Nod 18000).
