quote:Originally posted by Sk8rRIMuk:I never new you all felt so strongly about ob walking, well you have all shown me the shame in ob walking as from now on I pledge never to ob walk again...Anybody that every joins my games from now on will be kicked for ob walking...What do you think about people just geting a acharcter and straight forward rushing the ob and dodging it I think theres skill involved but still maybe its a glitch in the fact that the obelisk is to slow what do you think ...DEATH TO ALL CHEATERS : SK8RRIMUKIf the person can make it into the Nod base honestly by rushing the base, more power to them. They(Havoc) will get hit at least once by the oby.Or killed trying.
