I never new you all felt so strongly about ob walking, well you have all shown me the shame in ob walking as from now on I pledge never to ob walk again...Anybody that every joins my games from now on will be kicked for ob walking...What do you think about people just geting a charcter and straight forward rushing the ob and dodging it I think theres skill involved but still maybe its a glitch in the fact that the obelisk is to slow what do you think ...DEATH TO ALL CHEATERS : SK8RRIMUK [January 23, 2003, 13:28: Message edited by: Sk8rRIMuk]
