quote:Originally posted by Boris's AKM:i agree with Javaxcx, but instead of a Deadeye, i have a Black Hand Sniper. id have to say that the stealth tank and trooper are my worst units, ppl always sneak into bases wit stelths, but i think that is stupid. it requires more skill to get a nuke and sneak in with a non stelth unit. BHS goes hand-in-hand with Deadeye. You simply can't be on Nod all the time.I used to play as a SBH a long time ago, I still do periodically, but most of the time I are teh I33t snip0r
