My favorite character used to be Raveshaw, but when my clan was playing the spuds, they raveshaw rushed us. I got so scared. I got nightmares from it for the next month. First of all the spuds are not the brightest stars in the sky, second of all when u have an irish guy with a sill can and a gun that is bigger than him u would get pretty scared yourself. The a week later i heard that spudster3 commited suicide because he didn't want the peanut butter and jelly sandwich he made himself, i knew there was something wrond with these potato lovers.

-----why are there n00b, there are kinda like stupid people only 8 times worse. They SuCk BaLIZ!1!
