What is teamwork to you? people who do what you say? or you doing what others have to say to you? The only reason why teamwork isn't so common is because the TEAM is trying to WORK with different ideas. Everyone on the team has a goal, they could type there goal but i bet 9 times out of 10 you won't do it because you think your goal is better, or more effective. So the ways that you could get teamwork is by1)Having authority over the team. (Rank or MVP might do)2)Knowing the team personally.3)By sheer luck.
