quote:Originally posted by KIRBY098:Meanwhile, they are smoking your harvy, and wiping all the unemployed, non harvy killing, hippies out, in the field. You obviously didn't read the entire post. I'm talking about when you've got a bunch of tanks camped outside the other teams base like on field and blasting anything that tries to leave. Go ahead and shoot the harvey until it's in the yellow or red, but then just wait a little while and blow it up as it's returning to base.
