You know, I'm a good sniper. I get alot of kills and work hard for them. But I have found that these guys with "80 kills in 25 minutes" play on servers where the n00bs rush to thier deaths like lemmings. It's easy to kill n00bs. It's boring too. Play someone else with good skills and your 75 + kills will drroooooooppp like the IQ's of the guys who run WSE. I go mega kill n00bs when no good players are on. I like smoking losers like ursniped2 with a deadeye, when he claims to be the best and won't give up his ****ed Sakura, or leave the tunnels. He won't leave the tunnels, because the n00bs don't rush like lemmings in the field. I've said it before, and I'll say it again, TUNNEL WARS ARE NOT SNIPING. They are infantry wars with more powerful guns.
