\* If you are in an APC, and the goal is to penetrate enemy base, then you should NOT stop to engage anyone, just keep going. keep going. NO! dont turn around! NO dont try to run over that sniper! GO! GO! No, dont keep trying to shoot him, Just GO! Oh no, the apc got blown up and now everyone inside is dead! You never should have said "Get in the Vehicle", unless you planned on going straight in
