quote:Originally posted by Duc:Today I was playing on the Nod side on field when I noticed the obelisk was shot from outside the base. I think directly from the GDI base with a MRLS! A guy called Wrsniper was on the Nod side getting a lot of credits. I am not saying it was him (he is a good player)Seen this before?Grtz DutchducSo if Wrsniper was Nod and was doing it...why would he get credits for shooting his own building
