"ything that can win u a game is not heating, if your any dman good u can stop one guy jumping backwards at yur obelisk for gods sake. i personally have not done this for i have never had a chance, there is always someone there who will see e, if ur in a game over 18 people SOMEONE should see you, or mines blok you, i cant believe your whinning about it, its almost funny really" Ahhh -- an intelligent reply from a well-seasoned id....I suppose your idea of fair play is to blindfold and handcuff your captives before you shoot them? Face it like a warrior - not like a scared little mink...."Bah!"
