okay wookie... a few things.... I don't have a brother who is younger than me.... my brother doesn't even play renegade.... I don't ever recall playing you....and if youre so smart... what is the name of this little friend of his (aka login; if you were wondering what I meant by name, which I know you were)? And I highly doubt you could own a one armed blind man, so don't start with this whole I jnw you garbage. Becuase quite frankly, you don't own whats between your finger and your rear end. So just stfu wookieHey azwhoopin nice to see you too. Saw your personal site, I was just wondering if your mom drank while she was pregnant with you, cuz youre eye's seem oddly far apart. Oh and its nice to see youre actually starting to bring something other than flames to postings azwhoopin, oh no wait.. all you can do is flame... cuz youre just that stupid, aren't you? But enough wasting time on a fetal alcohol syndrome child. [September 14, 2002, 03:01: Message edited by: C4kitty]
