quote:Originally posted by ADM: quote:Originally posted by KIRBY098:I'll be behind the rock you just jumped past. Yep, you'll be behind the rock I just passed, only thing is, you're dead. That's why it's necessary. Your arrogance is astounding. Because you get killed while hiding out, doesn't mean the rest of us do. If this tactic doesn't work for you, oh well. Get better at using it, just like I had to learn the close range jumping headshot without a scope.
