Nope. Not Canadian or Belgian. I like both of them! I hate the French because they have no backbones - surrendered to Germany 3x in 100 years. I hate the French because the USA bailed them out of 2 world wars, got stuck cleaning up their mess in Vietnam (we did poorly there too) and what do we get in return? Can't fly thru their airspace to bomb Iraq, criticism in the UN and being called criminals and accused of genocide, a law banning new English words from being integrated into their language, rude treatment when we visit to spend money in their sorry little Socialist-loving, terrorist-harboring country. Let them fight the next one on their own!
