yeah... thats it.... i escaped from a mental hospital.... and now i'm outside your window.... with a 9 inch knife waiting to cut you up bad..... orrrrrr is it that i enjoy p*ssing people off... hmmmhhh jump to a f'ing conclusion moron.... I do this just for the sheer enjoyment of making people angry or just even getting a response from them is all the satisfaction i need....but then again i had to point this out... leading you from A to B to C... so that your pathetic tiny pea sized brain could possibly comprhend what i'm trying to do..... an if you think I act like this in person... well... I'll leave that to your imagination.... I could really care less if you think of me as a psychotic killing machine bent on hacking up bodies or the sweetest little girl you've ever met... really doesn't bother me since your nothing but a paragraph to me.... just a waste of skin probably on the other side of the planet.... so talk away trailer park trash....
