Mammoth tanks are very very good for some jobs, and hten they aree sh*tluss at other job. I wz on a server and my team(GDI) said all get mammoth tank. I said med tank are better they quick they tank alot less damage as the mammoth came they were creamed.I was in the oblisk destorying it when the mamoth tank came to help they were sh*tluss they did a bit of damage then they were gone. Two one each side on help destory the onlisk but after that the the person inside with me, and that mammoth tank save our tank for ever more on that map.
