---

Any Vehicle sucks defending APART FROM THE MAM.As was said, two mams on #Hourglass can 0wN anything that comes near.We had lost the fac and the AGT, and had 2 mams guarding....with a lot of Mobius support ( inc myself )They eventually got killed by a huge assault, and we lost the refinery.Hour left.....=(Half an hour later, we lost the barracks, so we ALL went around the PP.We won on points.
