LMAO! Wait, I mean, Abdomen, yeah that's it. (phew close call, don't want to get on the spank list
) j/k no offense spankster, I just had to. DJTachyon, with all due respect, I disagree with
banning ppl who nuke, please refer to my opinions (and other ppl's) in this
thread.http://messagebrd.westwood.ea.com/cgi-bin/boards/ren/english/ultimatebb.cgi?ubb=
get_topic;f=2;t=001238If you want to go back to the point it is YOUR server and you OWN it, I got
nothing to say there, but if we are talking/debating from a theoritical point of view (i.e. how WW
made the game) I don't believe this is a bug and therefore need to be banned.
