I was on Gamespy last night and EVERYONE of the players in this 30 game match were n00bs and newbies (safey in numbers I guess) but I ended up taking out both Barracks and Refinery and not one person came to give me any resistance and lw as using a shotgunner!.....if this would have been on WOL I seriously doubt I would have been able to get away with it in a 30+ game..... This game was scary because the time was set for 1 hour and every single player was on the field and watching enginners healing their opponets thinking they were hurting them was horrific!
