Get a buggy or APC and an infantry with a rapid fire weapon(Chain gun Black hand and mendozas work best,not stealth)and a beacon.take the low road and run to the back end of the barracks(Not side,thats too easy to spot)Drop the beacon behind the barracks,and get back in your vehicle if its still alive and Park on the beacon.Did it this afternoon with an APC and a Mendoza.Works just spiffy. Bye Bye Barracks!
