my moment was on fortress. I was an sbh sniper in the tunnels, then I hear an orca near me I turn around and see an orca flying right towards me! I quickly press crouch and ducked in time as it flew past me and laughed as it got stuck at the end of the tunnel. Same map but today, This time I was in the orca and flew into the tunnel to chase down a nod sniper ran him over with my orca as I turn around i see ACK trying to follow me in and laughed as he kept getting stuck in the tunnel, we had to help push his orca out of tunnel and during that time he shot an sbh trying to get into his orca
