I like to scare the hell out of morons who have sniper units. They like to get me PO'ed and sit there as snipers. I sneak up behind them, and shoot the wall in front of them, casing a bullet hole in their feild of vision. They run, break cover, spin, shoot, or something to attract MUCH unwanted attention. They then get killed, and I hide until the enemy goes away, and kill them from behind. Nice way to get rid of n00bs.
