I knew about the leave early trick, this was something different I think.Actually I think I have witnessed the same. Of course, I am not completely sure about it. You should read the left and join game things carefully, 'cause we might be wrong.Just ten mins ago I was playing on the "Zombie Corp 916" server. A guy called "sandnig5", said "The pp you say?", then "Nuclear Strike beacon deployed", then "Warning - Nuclear Strike beacon approaching", "Nod pp destroyed"... He claimed he was hacking, but hey... So do all wanna be hackers. Another guy, "Commjared" did the same. First "Bye, bye oby"... then...
