Top Six Reasons You Are a N00b1) You repair a building after it's destroyed2) "You yell How bout we nuke em with our Ion Beacons" (Yes I said lets nuke with an ion)3) You get out of your vehical and start repairing it when you are being atacked from all sides, Resulting in the enemy jumping into it and running you over4) You use the ~extras fnkqrrm and get a pick-up truck5) You Jump out of a flying vehical in high air, right before it is destroyed to save yourself, but you're so high you die trying6) You say NOD instead of Nod, some people do this don't they know that GDI is and abrevation and Nod is a word.[May 26, 2002: Message edited by: apocypher][May 26, 2002: Message edited by: apocypher]
