quote:Originally posted by aqualite7:After some thinking as well as some personal things in my life, I realized the silliness of my flames toward you. I am not by any means becoming a *****, I only don't see the point in it. I just want to say I am sorry for attacking you both and have no ill's with either of you. What you both do and how you both play is your business. Truce, now lets go have fun.Didn't realize you had a problem with me to begin with... Didn't care either.
