quote:Originally posted by M0ldymilk:well thats why in my serever i do a few n00b preventing things.1st, i make the message and server names,"no n00bs allowed" and make the message of the day extend that line with "or you get the boot." but this dosent do much. so when i spot one of those n00bs wankin off, (i always have ff on) i kill them, go back to the respawn(if theyre on my team), kill em again, an boot/ban them this may cause me to loose points but oh wellall n00bs shall burn in hell!Hey, do you lose points/kills/anything from killing your teammates? Just curious. Btw, don't count less than a hundred in-game points as anything.
