quote:Originally posted by ChaosE:I press F3, type "enemy APC in our base !!" then try to stop them.There is more than radio commands in this game. Most ppl are just to lazy/slow to type.With 6 timed c4 on the mcp and 3 adv enemy engies runnin around you don't got time for that one. But on the other you already know its gonna blow like hell so what. [May 14, 2002: Message edited by: dmc321]
