quote:Originally posted by rogueranger:There is a way to get around the 30 second lock-out. You need to hold down ctrl and alt keys then press The E, Z, L,& 2 keys at the exact same time. This unlocks new enemy vehicles and allows for safe entry. Happy Stealing!!   Why is so that I don't believe you? Btw, did you know that if press shift+L, you can unlock the harvester and then enter with E.
