Subject: Stealth Tanks - are they good? Posted by Anonymous on Tue, 07 May 2002 23:26:00 GMT View Forum Message <> Reply to Message

They are nice for a few things. Once I was playing a game of 40 players. I had the stealth tank and simply drove in the enemy base. Since this was not a AGT/Oblisk base, I could come in without worry. Next thing I know, there are 15 men running around like crazy. Hmm... so I kept driving and ran over all of them! LOL! CRUSH BOINK LOL!!!
