I actually did this last night on FIELDS. It was in the last minutes of the game and we trailed the whole game in points to Nod. We had just destroyed their Obelisk and we rushing like crazy to get the most points we could. So there I go in my Humvee, I entered Nod's base when I saw a Brand new flame tank by their Airfeild so I jumped out of my jeep and into the Flame tank and kept flamming the airfeild. Well my flame tank got destroyed and 5 seconds later the game ended with GDI winning...Yee Haa
