I hate games where you play the game, get more points than the host - and the \*\*\*\* boots you!! played a game yesterday where the guy booted 3 people and said : " If any of you \*uckers want to get above my score, go the \*uck ahead and get \*ucking booted "Guess what - I did...when there was 10 secs left - not enough time to boot me...Sure enough - I got booted 3 secs into the next game..Git
