quote:This is real simple- aim for the head! Headshots kill in a matter of seconds. Once when I was an engine I squared off against a mobius and won by jumping around stopping, popping him in the head a few times and repeating that. Boy was he \*\*\*\*ed Also about ACK- you guys have no lives to sit here and flame him when he's 1. helping with grammar(don't know why) or 2. just trying to infuriate you guys because from some of these posts he did a splendid job! This is just a game. Jeez it isn't a game anymore if your \*\*\*\*ed or angry. if that happens, then quit and cool off because it isn't fun anymore. -----"there isn't stupid questions, only stupid people""people with brain cells are an oppressed minority" There aren't stupid statements, just very "special" boys, like you.
