Rofl.. this was funny.. I was in 6 player game.. And no one was laying mines for deffence.So I decide to try a little experiment.  I got hotwire, and a Mammoth.  Then I put 30 mines all around the mammoth.  Then I just put it near the enimies base and waited and watched.Then a nod goes to steal it and BOOM the proxies **** him.  Ok.. Yeah.  IT's a waste of time, waste of mines, and stupid.But.. It is FUNNY.
