So you're the one that keeps the tanks of the great tank drivers alive? Teamwork isn't everything, a team of mediocre players working together will lose too a team with a couple of great players who don't need a team because they know how to do it themselves. I'm all for teamwork, but it isn't the answer too everything, and it ain't a guaranteed win. It improves the odds that's all, you still need great tank drivers too win the game.
