quote:Originally posted by VhawkX:i don't think u wanna drive the hummvee in...cause...it can be taken by the opponents when they go into ur tower if nobody is in the hummvee...i've tried it...i got killed while repairing and the hummvee was stolen by a NOD player...i hated that...then...i blew the hummvee up w/ pic...stupid hummvees in agt...using the proxys r better than hummvees...unless u wanna get zero points while u sit in ur hummvee all day...not a prob...see if you chuck a couple mines into the side of the Hummer and park it sideways so it blocks the door with the minesfacing out....an invader will die before he can get into the hummer and use it. This actually works well as I've seen engies survive the mines at the door and still get to the MCT. This way they cant get away from the blast in time to survive it. Just be sure you weakin the hummer a tad so it doesnt survive either.
