quote:Originally posted by ThunderChicken:onetime in the flying city map, me and a group of about 3 hotwires were repairing the war fac from the mct. after it was at full health the other hotwires left and forgot to disarm the timed c4. there were 4-5charges and i managed to disarm 2. if the other guys were paying attention, the war fac probably would have stayed up but the stupid c4 blew me up.   As a Hotwire you have more Range with the repair gun. You could have survived by standing farther back. Just a tip.
