uctionEndsGame=yesBeaconPlacementEndsGame=yesStartingCredits=20000and send it to him  
an in email then paste it over what ever his settings are.you can change the maps around in any  
order just change the numbers too. also you can change anything esle after the "=" sign. Most are  
either yes or no except teh credits and time. you have to play the skrismish map first from what i  
heve played with but its easy just but becon on pedestool. any questions post again[ April 25,
