Those are massive teams? Your used to 4 player games aren't you That's only 18 people at the max you suggested, I hardly every play with any less than that!It's a pretty basic, logical strat. Not much to comment on, although I like the fact you added Patch. He's so friggin strong not nearly enough people use him...[April 23, 2002: Message edited by: Accurain]
