Helicopter pilots aren't in the habit of getting someone else to hold the controls while they jump out with a parachute. AFYI, paratroopers don't parachute out of helicopters, they jump out of hauler aircraft such as the hercules....Hmmm Tiberium is then real because this game is realistic. Mutants run around and we have big lazars that shoot 20 Gigawatt death rays stitting in our backyards. Buildings can never be built and never destroyed... Tanks are all over the place and we have big blue lazars that shoot from the international space station...
