quote:Originally posted by n00by One Ken00by:4- defending the base. With your heli the most useful thing u can do i think is to defend your base : damage the rushers (flamers, apc, cars and helis ) and warn your base about any incoming threat. With high seeing and patrolling u can see them coming. Don't forget with your heli to search for beacon too. Still the best one... Very usefull for defending....
