I want points plain and simple....and if it need be where my tank is taken out and i'm a hotwire and there are other tanks that need help....I say screw them let them help themselves.....I heal everyone I see (unless they R selfish) , its good for the team and you get a few xtra credits. Those who run away as a tech, should be shot for TREASON. Don't give C4kitty the pleasure of being repaired, cause she won't help you out. "Do onto others as, you would have them do onto you"
