Rommell,GDI rocked this map on Friday on the WOL forum game too. I was Nod, but I was still impressed with their D. We'd taken out everything but the barracks, and they bought about 5 mobius' and a lot of good infantry and held us back. Very good playing.Of course, it didn't help that a bunch of people kept trying to place nukes. I wish people didn't want to give the enemy some easy points...But, overall, very well played.
