i totally agree, some ppl just think their the man of the game, sometimes i dont stick to the plan either and they yell et me but they take it back when i become MVP at the end.Once someone had a plan i believe ranked 200,But i thought it would not work and i thought it correct because they all got killed without firing a bullet.I ot in al by my self and took out the intire base with one tank.Thats just one example.
