quote:Originally posted by kiwi98989:The best thing you can do for your team at the beggining with no creds is to be an engi and repair YOUR harvester, almost no one does this but it will save your teams a\$\$ if you repair you harvester from attacks at the beggining. yep on city i needed some extra cash and saw the harvi and red and decided to heal it. And guess that i find hidng behind the harvi? 2 stleath noddies trying to sneak into our base so latch my 2 remote c4 and bye bye noddie. I'm guessing they had beacons and were gonna beacon the refinery
