you lost all weapon except your pistol when you were taken capture in that prison complex quote:  
That level was a little stupid. I'd been carrying around a beacon since the second level(the guy in  
the hut gives it to you. There is also another one in the hand of Nod in armoured assault). On this  
level-where'd it go? you lost all weapon except your pistol when you were taken capture in that  
prison complex, i lost by ion and my nuke, but thye give you one to use in the temple lvl
