Guess your right, it'll never end. If you care about your team and your a idiot like me you'll end up running circles replacing mines the whole dame game.To break the boredom, I often buy a flame tank etc, go help the boys out, die and go back to base def.To the fellow laying 2-3 mines in groups at wide entrance to wall map, I'm not convinced that mines are worth laying there as it is super wide and don't do much damage to vehicles, or are you just trying to stop foot soldiers?
