VJ, There is nothing I hate more than standing by the Weapons Factory MCT, and to see them slowly start vaporizing....I quickly type: "We've reached our limit folks, stop laying mines...."another one goes...and another...."Folks, Really, We've laid all our mines, PLEASE STOP"whisp....whisp.....whisp....."STOP MINING"whisp"D@MN IT, STOP MINING!!!!"whisp.....Sometimes you just wanna punch someone. Always look at the text folks....always look at the chat text.
